Re: Case No. EB-00-LA-291

Dear Mr. Herbert:

I wanted to take this opportunity to thank you for the excellent job you did in resolving the television interference experienced by several residents in the Cache Creek area. The dedication and professionalism displayed by you and your team of experts is greatly appreciated by the Federal Communications Commission's Los Angeles Enforcement Bureau office. You and KCRW Foundation, Inc. went above and beyond the call of duty to rectify the situation. You are an asset to the broadcast community. I look forward to working with you again.

Happy Holidays and thank you again for a job well done.

Sincerely,
